West End is HOT!

With settlements starting in November, now is a prime time for you to visit our display apartment and see for yourself why so many have chosen Riverpoint as their prestige address.

Consider the waterfront location, the proximity to the Brisbane CBD and the culturally eclectic fabric of West End.

Surrounded by river parklands and with Orleigh Park on your doorstep, Riverpoint translates into city living with a slice of suburban tranquility.

You still have time to move in this year!

We look forward to welcoming you to our Display Apartment!

Mark Stockwell and the
Riverpoint Team
